

Wrap-Tite Supports the Greater Cleveland Food Bank

At Wrap-Tite, we're proud to support the Greater Cleveland Food Bank in their mission to fight hunger in Northeast Ohio. Giving back to the communities we serve is at the heart of who we are, and we're committed to making a difference for our neighbors facing food insecurity.

Why We Support the Greater Cleveland Food Bank

The Greater Cleveland Food Bank is a cornerstone of our community, providing essential food assistance to those in need. In FY2023 alone, they and their network of over 1,000 partners served more than 401,000 individuals, many of whom turned to the Food Bank for the first time as rising food costs and the end of pandemic-related benefits left them vulnerable. The need is greater than ever, and the Food Bank is a vital lifeline for so many in our region.

How Wrap-Tite Contributes

- **Monetary Donations:** Our financial contributions help the Greater Cleveland Food Bank continue its critical work. These donations fund operations, enable the procurement of essential food supplies, and support the programs that address the root causes of hunger. Thanks to these efforts, more families have access to the nutritious food they need to thrive.
- **Employee Volunteerism:** Our employees are passionate about giving back. Through our volunteer program, they regularly participate in food sorting, packaging, meal preparation, and other activities at the Food Bank. These experiences not only help the Food Bank but also foster team spirit and personal growth within our company.
